To Whom It May Concern,

Applied Machine & Motion Control, Inc., (AMMC) remains in operation as an Essential Business as described in the March 28th, 2020: [MEMORANDUM ON IDENTIFICATION OF ESSENTIAL CRITICAL INFRASTRUCTURE WORKERS DURING COVID-19 RESPONSE](#) from Christopher C. Krebs, Director, Cybersecurity and Infrastructure Security Agency (CISA).

AMMC supports the following Critical Infrastructure sectors through the supply of components, systems, and services for machinery:

- Food and Agriculture
- Energy
- Water and Wastewater
- Transportation and Logistics
- Communications and Information Technology
- Critical Manufacturing
- Chemical
- Defense Industrial Base
- Commercial Facilities

AMMC has implemented measures to proactively ensure the safety and well-being of our employees. AMMC has imposed restrictions on travel, prohibitions on visitors entering our premises, education of employees on behaviors which reduce the likelihood of exposure, employee health verifications, social distancing, and additional sanitizing of common surfaces and areas in compliance with the guidelines issued by the Centers for Disease Control (CDC).

We at AMMC hope for the well-being of our customers, suppliers, and their families, as well as the well-being of your businesses. We will continue to do all we can to support our part of the critical supply chain.

Sincerely,

David Locke
President
